3. **PROPOSED GRANT OF OPTIONS TO THE CONTROLLING SHAREHOLDER, MR WU HSIOH KWANG AND HIS ASSOCIATES, MDM CHUA SOH HAR, MS WU XIUYI AND MR WU XIUZHUAN**

Under the Listing Manual, the specific grant of Options to Controlling Shareholders and their Associates will have to be approved by the other Shareholders of the Company at a general meeting.

The participation by Mr Wu Hsioh Kwang and his Associates, Mdm Chua Soh Har, Ms Wu Xiuyi and Mr Wu Xiuzhuan in the Option Scheme, was approved by Shareholders at the extraordinary general meeting of the Company held on 29 April 2014.

The shareholding interest of Mr Wu Hsioh Kwang in the issued share capital of the Company as at the Latest Practicable Date is set out in **Appendix I** of this Circular.

LETTER TO SHAREHOLDERS

3.1 Proposed grant of Options to Mr Wu Hsioh Kwang

Subject to the approval of the Shareholders, the Company is proposing to grant Options to Mr Wu Hsioh Kwang on the following terms:-

- (a) Proposed Date of Grant of Options : Within one (1) month after the date of the EGM
- (b) Number of Shares comprised in the proposed Options : 500,000 Shares (representing approximately 0.06% of the total issued Shares excluding Treasury Shares as at the Latest Practicable Date)
- (c) Exercise Price per Share : Market Price
- (d) Exercise Period : Exercisable at any time after the first anniversary of the Date of Grant and up to the fifth anniversary of the Date of Grant

Rationale for grant of Options to Mr Wu Hsioh Kwang

Mr Wu Hsioh Kwang is the Chief Executive Officer and Executive Chairman of the Company. Mr Wu has been pivotal in determining the overall strategic directions and management of the Group. As the founder of the group companies, Mr Wu has been actively involved in the projects from their inception, and is responsible for their continual success. He has also formulated various corporate policies and has been instrumental in charting the growth of the business of the Group. With his leadership, the Group saw continuous good performance and profit for the year 2018 and the Group has achieved a compounded annual growth rate in earnings of over 14% since the financial year ended 31 December 2011.

In recognition of Mr Wu's performance and contribution to the Group and to motivate him to maintain a high level of performance with a view to achieving long term growth for the Group and to further enhance the value of the Company and its Shareholders, the Company is proposing to grant Options on the terms set out above to Mr Wu Hsioh Kwang.

The Committee when deciding on the number of Options proposed to be granted to Mr Wu took into account the financial performance of the Group, the effectiveness of the overall strategy, his past and potential contributions, as well as the prevailing remuneration package of Mr Wu, including the Options that had been granted to Mr Wu previously. The Directors are of the view that Mr Wu's remuneration package (including the Options which are proposed to be granted) is fair given the substantial contribution he has made to the Group. His total remuneration (inclusive of benefits) for the financial year ended 31 December 2018 was S\$1.56 million.

For these reasons, the Directors are of the view that Mr Wu should be granted the Options on the terms as stated above. The grant of the Options on the terms as set out above (including the size of the Option) is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company.

Mr Wu Hsioh Kwang will abstain from voting as a member of the Company when the grant of Options to him is being considered.

LETTER TO SHAREHOLDERS

3.2 Proposed grant of Options to Mdm Chua Soh Har

Subject to the approval of the Shareholders, the Company is proposing to grant Options to Mdm Chua Soh Har on the following terms:-

- (a) Proposed Date of Grant of Options : Within one (1) month after the date of the EGM
- (b) Number of Shares comprised in the proposed Options : 200,000 Shares (representing approximately 0.02% of the total issued Shares excluding Treasury Shares as at the Latest Practicable Date)
- (c) Exercise Price per Share : Market Price
- (d) Exercise Period : Exercisable at any time after the first anniversary of the Date of Grant and up to the fifth anniversary of the Date of Grant

Rationale for grant of Options to Mdm Chua Soh Har

Mdm Chua Soh Har is the spouse of Mr Wu Hsioh Kwang, the Chief Executive Officer, Executive Chairman and Controlling Shareholder of the Company. Mdm Chua has been a Non-Executive Director of the Company since June 2010.

The Directors believe that the proposed grant of Options to Mdm Chua is consistent with the Company's objectives to grant Options to Non-Executive Directors who are not employed by the Group but nevertheless work closely with the Group and/or are in the position to contribute their experience, knowledge and expertise to the development and success of the Group. As the Option Scheme serves as recognition of the contributions of those eligible to participate in the Option Scheme as well as to secure future contributions for the Company and the Group from them, the Directors consider it important that Mdm Chua should not be excluded from the Option Scheme. The Directors consider it crucial for the Company to provide sufficient incentives which will instill a sense of commitment to the Company.

The Committee when deciding on the number of Options proposed to be granted to Mdm Chua took into consideration her performance and contribution to the Group, her years of service and potential for future development and contribution towards the long-term objectives of the Group. Mdm Chua, who is a member of the Committee, was not involved in the Committee's deliberation in arriving at this decision in respect of the Options to be granted to her. The Directors are of the view that Mdm Chua's remuneration package (including the Options that has been granted to her previously and which are proposed to be granted) is fair given the contribution she has made to the Group.

For these reasons, the Directors are of the view that Mdm Chua should be granted the Options on the terms as stated above. The grant of the Options on the terms as set out above (including the size of the Option) is consistent with the Company's objectives to motivate its directors to achieve and maintain a high level of performance and contribution which is vital to the success of the Company.

Mdm Chua Soh Har will abstain from voting as a member of the Company when the grant of Options to her is being considered.

LETTER TO SHAREHOLDERS

- (b) Number of Shares comprised in the proposed Options : 380,000 Shares (representing approximately 0.04% of the total issued Shares excluding Treasury Shares as at the Latest Practicable Date)
- (c) Exercise Price per Share : Market Price
- (d) Exercise Period : Exercisable at any time after the first anniversary of the Date of Grant and up to the fifth anniversary of the Date of Grant

Rationale for grant of Options to Ms Wu Xiuyi

Ms Wu Xiuyi is the daughter of Mr Wu Hsioh Kwang (the Chief Executive Officer, Executive Chairman and Controlling Shareholder of the Company) and Mdm Chua Soh Har (a Non-Executive Director of the Company). Ms Wu holds the position of Senior Vice President of the Company, and is the Assistant to the Executive Chairman and a director of Shanghai Ocean Aquarium, a subsidiary of the Company. Ms Wu Xiuyi has been appointed as an Alternate Director to Mr Wu Hsioh Kwang since June 2014. In addition, Ms Wu Xiuyi has also been appointed as a director in all the Singapore subsidiaries of the Company in October 2015 and April 2016 respectively.

As a director of the subsidiaries, she contributes in formulating policies, business strategies and corporate branding and ensures that the Group's directives are followed. Having been with the Group since October 2004, Ms Wu Xiuyi has acquired in-depth knowledge of many aspects of the Group's business, including its operation, administration and management and has made significant contribution in enhancing the corporate profile and branding of the Group.

The Directors believe that the proposed grant of Options to Ms Wu is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company. As the Option Scheme serves as recognition of the contributions of those eligible to participate in the Option Scheme as well as to secure future contributions for the Company and the Group from them, the Directors consider it important that Ms Wu should not be excluded from the Option Scheme. The Directors consider it crucial for the Company to provide sufficient incentives which will instill a sense of commitment to the Company.

The Committee when deciding on the number of Options proposed to be granted to Ms Wu took into consideration her performance and contribution to the Group, her years of service and potential for future development and contribution towards the long-term objectives of the Group, as well as the prevailing remuneration package of Ms Wu, including the Options that had been granted to Ms Wu previously. The Directors are of the view that Ms Wu's remuneration package (including the Options which are proposed to be granted) is fair given the contribution she has made to the Group.

For these reasons, the Directors are of the view that Ms Wu should be granted the Options on the terms as stated above. The grant of the Options on the terms as set out above (including the size of the Option) is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company.

LETTER TO SHAREHOLDERS

Ms Wu Xiuyi will abstain from voting as a member of the Company when the grant of Options to her is being considered.

3.4 Proposed grant of Options to Mr Wu Xiuzhuan

Subject to the approval of the Shareholders, the Company is proposing to grant Options to Mr Wu Xiuzhuan on the following terms:-

- (a) Proposed Date of Grant of Options : Within one (1) month after the date of the EGM
- (b) Number of Shares comprised in the proposed Options : 380,000 Shares (representing approximately 0.04% of the total issued Shares excluding Treasury Shares as at the Latest Practicable Date)
- (c) Exercise Price per Share : Market Price
- (d) Exercise Period : Exercisable at any time after the first anniversary of the Date of Grant and up to the fifth anniversary of the Date of Grant

Rationale for grant of Options to Mr Wu Xiuzhuan

Mr Wu Xiuzhuan is the son of Mr Wu Hsioh Kwang (the Chief Executive Officer, Executive Chairman and Controlling Shareholder of the Company) and Mdm Chua Soh Har (a Non-Executive Director of the Company). Mr Wu holds the position of Senior Vice President (Corporate Development & Risk Management) of the Company, and is a director of Underwater World Xiamen, a subsidiary of the Company. Mr Wu Xiuzhuan has been appointed as an Alternate Director to Mdm Chua Soh Har since June 2014. In addition, Mr Wu Xiuzhuan has also been appointed as a director in all the Singapore subsidiaries of the Company in October 2015 and April 2016 respectively.

Mr Wu's current responsibilities include business development, capability building, risk management, portfolio management, as well as internal audit and control issues. He is involved in the reviewing of reporting services to support the investment and corporate operations of the Company. He identifies and manages regulatory compliance risks faced by the Company and oversees the strengthening of internal processes and control within the Group. Having been with the Group since November 2007, Mr Wu Xiuzhuan has acquired in-depth knowledge of many aspects of the Group's business, including its processes and the regulatory framework involved.

As a director of the subsidiary, he also provides board oversight and control over the day to day affairs of the Company.

The Directors believe that the proposed grant of Options to Mr Wu is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company. As the Option Scheme serves as recognition of the contributions of those eligible to participate in the Option Scheme as well as to secure future contributions for the Company and the Group from them, the Directors consider it important that Mr Wu should not be excluded from the Option Scheme. The Directors consider it crucial for the Company to provide sufficient incentives which will instill a sense of commitment to the Company.

prevailing remuneration package of Mr Wu, including the Options that have been granted to Mr Wu previously. The Directors are of the view that Mr Wu's remuneration package (including the Options which are proposed to be granted) is fair given the contribution he has made to the Group.

For these reasons, the Directors are of the view that Mr Wu should be granted the Options on the terms as stated above. The grant of the Options on the terms as set out above (including the size of the Option) is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company.

Mr Wu Xiuzhuan will abstain from voting as a member of the Company when the grant of Options to him is being considered.

3.5 Limits on grant of Options to Controlling Shareholders and their Associates

Under the Listing Manual and the Rules, the aggregate number of Shares available under the Option Scheme and such other share-based incentive schemes (if any) shall not exceed 15% of the total number of issued Shares (excluding Treasury Shares) on the day immediately preceding the Date of Grant.

Subject to the approval of the other Shareholders, under the Listing Manual and the Rules, the aggregate number of Shares available to Participants who are Controlling Shareholders and their Associates shall not exceed 25% of the Shares available under the Option Scheme and the number of Shares available to each Controlling Shareholder or his Associate must not exceed 10% of the Shares available under the Option Scheme.

As at the Latest Practicable Date, the number of issued Shares is 860,654,280 Shares (excluding 8,275,300 Shares which are held in treasury). The number of Shares available under the Option Scheme which the Company may grant Options is 129,098,142 Shares, representing 15% of the issued Shares, excluding Treasury Shares. Accordingly, the aggregate number of Shares in respect of the Option Scheme that the Company may grant to Controlling Shareholders and their Associates would be 32,274,535 Shares, and in respect of each Controlling Shareholder or his Associate shall not exceed 12,909,814 Shares.

The Company's 2004 Scheme was amended on 28 April 2010. Given its 10-year duration, the 2004 Scheme had expired on 11 January 2014 and the new Option Scheme was approved by shareholders at an extraordinary general meeting of the Company held on 29 April 2014.

As at the Latest Practicable Date, the Company had granted the following options to Mr Wu Hsioh Kwang, Mdm Chua Soh Har, Ms Wu Xiuyi and Mr Wu Xiuzhuan under the 2004 Scheme and the Option Scheme:-

	Number of options granted under		
	the 2004 Scheme	the Option Scheme	Total
Mr Wu Hsioh Kwang	3,900,000	3,800,000	7,700,000
Mdm Chua Soh Har	630,000	1,318,000	1,948,000
Ms Wu Xiuyi	1,740,000	2,204,000	3,944,000
Mr Wu Xiuzhuan	300,000	1,750,000	2,050,000
Total:	6,570,000	9,072,000	15,642,000

For the purposes of illustration, assuming that the proposed 500,000 Options, 200,000 Options, 380,000 Options and 380,000 Options as set out in Section 3 of this Circular are approved and granted to Mr Wu Hsioh Kwang, Mdm Chua Soh Har, Ms Wu Xiuyi and Mr Wu Xiuzhuan respectively,

LETTER TO SHAREHOLDERS

and that there is no change in the issued share capital of 860,654,280 Shares (excluding Treasury Shares), the aggregate number of options (comprising options granted under the 2004 Scheme and the Option Scheme, and the proposed Options to be granted under the Option Scheme) that will be granted to and held by the Controlling Shareholder and his Associates will be as follows:-

- (a) Mr Wu Hsioh Kwang will hold in aggregate 8,200,000 options (representing approximately 6.35% of the Shares available under the Option Scheme); Mdm Chua Soh Har will hold in aggregate 2,148,000 options (representing approximately 1.66% of the Shares available under the Option Scheme); Ms Wu Xiuyi will hold in aggregate 4,324,000 options (representing approximately 3.35% of the Shares available under the Option Scheme); and Mr Wu Xiuzhuan will hold in aggregate 2,430,000 options (representing approximately 1.88% of the Shares available under the Option Scheme); and
- (a) the total number of options which the Company would have granted to its Controlling Shareholders and Associates would be 17,102,000 Options (representing approximately 13.25% of the Shares available under the Option Scheme).

The proposed grant of the Options to Mr Wu Hsioh Kwang, Mdm Chua Soh Har, Ms Wu Xiuyi and Mr Wu Xiuzhuan would be within the limits prescribed under the Listing Manual and the Rules.

4. FINANCIAL EFFECTS OF THE OPTION SCHEME

Potential costs arising from the proposed grant of Options

The Company may allot and issue New Shares and/or transfer Treasury Shares to the Option Holders in respect of Options which are exercised. To the extent that New Shares are issued to the Option Holders pursuant to the exercise of the Options, the grant of the Options will result in an increase in the Company's issued share capital.

As such, there would be no impact on the Company's number of issued Shares if the relevant Options are not exercised.

Based on the Singapore Financial Reporting Standard ("**FRS**"), no cash outlays would be expended by the Company at the time the Options are issued by it (as compared with cash bonuses). However, under FRS 102 Share-based Payment, the recognition of an expense in respect of Options granted under the Option Scheme is required. The expense will be based on the fair value of the Options at each date of grant of the Options and will be recognised over the vesting period. This fair value is normally estimated by applying the option pricing model at the date of grant of the Options, taking into account the terms and conditions of the grant of the Options and recognised as a charge to the Company's consolidated statement of comprehensive income ("**P&L**") over the period from the date of grant of the Options to the vesting date (the "**Vesting Period**"), with a corresponding credit to the Company's reserve account.

Before the end of the Vesting Period and at the end of each accounting year, the estimate of the number of Options that are expected to vest in each Participant by the vesting date is revised, and the impact of the revised estimate is recognised in the consolidated P&L with a corresponding adjustment to the Company's reserve account. After the vesting date, no adjustment of the charge to the consolidated P&L is made.
